ELECTRIC KISTKA HOLDERS

Kistka holders are constructed out of oak for durability and feature a removable PVC drip tray and cord clips to hold kistky securely in place.

**Regular and Low~Profile versions available.
Regular version has a storage compartment for extra tips, wax and tools.
Holders have a clear gloss, water-base finish.**

Front groove is 3/4" to accommodate most kistka handle sizes.

Available in sizes to hold (1) to (10) kistka.

To order email: rob@rjtdesigns.com.
